Over 43 TONS of Haiti Donations

On The Move! - **all with the COMPASSION and MERCY of Jesus Christ!**

Early Monday morning, February 1st, LCC volunteers grabbed their cups of coffee, got into the trucks and began picking up the donated relief items from the 22 Illinois collection sites. As the full trucks returned to the Itasca warehouse the first shift of warehouse volunteers were there to unload, sort, box, inventory and load the donations on pallets for shipping. 230 [volunteers](#) from 90 area churches were scheduled to work at the warehouse, three shifts a day, until the last semi is loaded today. By the end of the day Monday, 100 pallets (enough to fill two semis) had already been assembled for shipping. In total, over 43 tons of supplies will be shipped to Haiti from the Illinois area!!! Another 45 tons will be shipped from the out-of-state locations! What A Difference this will make to those in Haiti in need. As one volunteer said, "Just knowing that what I am touching here will end up in the hands of someone in need in Haiti - and IN THE NAME OF JESUS CHRIST - showing the Mercy and Compassion of my Savior - there is no greater feeling than that!"

Thank You to all the churches, donors and volunteers who have so tirelessly worked at the collection sites and warehouse to reach out to those in need in Haiti with the Compassion and Mercy of Christ. You have been the Hands and Feet of our Lord. It is a privilege to see the Body of Christ working together to minister to those in need in Haiti. **We also want to thank all the corporate sponsors ([click here for list](#)).** Your donations of materials and equipment were invaluable to the Haiti Earthquake Response. We could not have done this without ALL of you!!

LCC Announces

I will be traveling around to our Lutheran Churches while there, the mission team is in need of several doctors to take care of some of the medical needs of the refugees from Port-au-Prince who are out in Jeremie with Pastor Isaac. The doctors would work in a clinic and would do a quick diagnosis of refugees and tell us whether or not they need follow up care at the hospital. Most of these people are just coming with sores, high B/P, malnutrition, worms, and asthma. Many need just basic hygiene instructions and antibiotics and vitamins. You would have to cover your costs of approximately \$2000. Please contact Tim Hetzner at 866-455-6466 or at TimHetzner@LutheranChurchCharities.org if you would like to go.

Help Needed for Four Homes of Mercy - Bethany Israel

Tim Traveling to Israel on February 8th

Four Homes of Mercy is a Christian run home for the emotionally and physically disabled children (many of whom are orphans) and adults in the poor area of Bethany Israel - the very location where Jesus always stayed when he came to Jerusalem (home of Lazarus, Mary and Martha, and Simon the Leper). They rely on donations to keep their doors open and one of the only ways to bring financial support to them is by hand. Tim Hetzner with LCC will be taking a group to Israel February 8th and will hand deliver the money to them. If you would like to help the efforts of the Palestinian Christian run Four Homes of Mercy in Bethany - you can contribute online by [clicking here](#) or by sending a check to Lutheran Church Charities and marking the donation Four Homes of Mercy.

Your support enables "Four Homes of Mercy" to provide the needed medications and supplies so desperately needed to help the limited staff to serve the children.

"JJ's Fund"

Request from Rev. Harold Krueger to help his great-grandson

The congregation of St. Matthew Hawthorn Woods is raising money for Baby Jeremiah Krueger, the great-grandson of Pastor and Ruth Krueger, and the grandson of Paul and Chris Krueger. "Baby JJ" has a very rare skin disorder that is called Epidermolytic Hyperkeratosis. It is a disorder that does not allow the skin to stay

attached to his body. He basically is like a burn victim who will never heal. One in 300,000 babies are born with this rare disease. He needs our prayers and special care from the Mayo Clinic. His parents' insurance does not cover this cost. Thrivent Financial has offered to match funds up to \$5000. You can read about JJ's journey on St. Matthew's website, www.stmatts.net. Please consider a donation to help this family with their mounting medical bills for Baby JJ.

Wisconsin Lutheran College Students Respond to "Charitable Challenge"

"Greater than Us: 1000 dollars, 1000 ways"

On January 27, five teams of ten students per team from Wisconsin Lutheran College were selected to participate in the Kapco "Charitable Challenge" Each team was given \$1,000 dollars to be used within 20 days with the ultimate goal of serving a community within the 5 local counties of the greater Milwaukee area.

Our team name/slogan is "Greater than Us: 1000 dollars, 1000 ways". We are currently working with a local health care clinic that is in desperate need of help. Our ultimate goal is to help rebuild and repair the health clinic in any way we can help. Our completion deadline is February 15th. One of the goals is to raise as much money as possible while providing the greatest outreach and service to the local community.

We are writing to you on behalf of our school, our community, and our Savior as we embark on a journey to be a light into this dark world. We are asking for any and all assistance that you may be able to provide for our team as the deadline will be arriving quickly.

We will be cleaning and painting the clinic so we are in need of painting supplies: paint brushes, rollers, trimmers, paint trays and primer. We are also looking for scenery paintings or prints for the walls.

For more information and to follow our progress please check our [blog](#) and [Facebook](#) page. We are hoping to reach and inspire 15,000 people with this challenge.

Host Family Needed in Peoria for 8-Year-Old Haitian Girl Needing Surgery

[Request from Susan Gross, Haitian Lutheran Mission Project, Christ Lutheran Church, Orland Park](#)

We are looking for a host family in the Peoria, Illinois area for a beautiful 8-year-old Haitian girl needing surgery at St Francis Hospital. Farah had surgery at St Francis in July of 2008 and returned to Haiti in September of 2008 a healthy happy child. She does need follow up surgery and may be coming to Peoria as soon as March 4, 2010 if her visa is approved. Farah is a very lovely, well behaved little girl who stole the hearts of everyone who cared for her back in 2008.

She will need care after her surgery and follow-up doctor visits. The length of her stay is uncertain at this time but we do not anticipate that it will be as long as the last stay. We are ALSO looking for someone that speaks Creole to help translate between doctors and Farah. I think we had a Creole-speaking health care worker at St Francis the last time she was there, but if there are others that can help with this it would be a great blessing. For more information please contact Susan Gross at suelynn144@aol.com

St. John's Cancer Victim and Family Needs Help with Medical Bills

[Request from Pastor William Stroup, St. John's Lutheran Church, Algonquin](#)

We are working with a member family in desperate need of financial help. Dan (43 years old), and his wife Susan, have one son. In 1996, at the age of 30, Dan was diagnosed with an inoperable brain tumor. He went through standard rounds of radiation treatment at the time and everything was fine for many years. A year later, in 1997, they found out that Susan also had a brain tumor. Susan went through an 11 ½ hour surgery and they removed only ½ of her tumor. As of this writing, Susan is in stable condition. Dan, on the other hand is a different story.

In 2001 Dan started to have grand mal seizures. This led to him getting maxed out on many different medications. In 2005 Dan was diagnosed with a grade IV Glioblastoma. He was told that this is a very aggressive cancer and that he had already received the max dosage of radiation a person can receive in their lifetime; so chemotherapy was the next course of treatment. Dan completed four years, and four types of chemo in June of 2009.

Unfortunately, it is now six months later and the cancer is on the rise once again. Dan has now found himself going back on chemotherapy. Dan was once a very active business owner and young, outgoing individual. He is now trapped to the likes of seizures, drugs and hospital visits. He cannot work and support his family. His insurance, medications, and general life expenses are far more than his wife can handle. As a family they have been helped by other family members as much as they can. We are doing what we can as a congregation. Any additional support for this family as they struggle to regain financial stability would be a great blessing.

\$2,500 Needed for 18-Year-Old Haitian Boy's Medical Treatment in Chicago

[Request from Susan Gross, Haitian Lutheran Mission Project, Christ Lutheran Church, Orland Park](#)

The Haitian Lutheran Mission Project has been asked to assist an 18-year-old Haitian boy named Ronest from Les Cayes, Haiti. He has been diagnosed with a condition called neurofibromatosis. These are small tumors that grow all over his body. They may return after being removed but we are considering bringing him to the States to have them removed because two of the largest tumors (one on his upper left arm and one on his upper left chest) have become very painful. He has a number of other lumps on his lip, torso, arms and legs.

He has contacted Nora (a full time missionary at our Lutheran Church in Les Cayes) for help and she contacted us. Nora has been a friend of ours for years and we often network to help the Lutheran Pastors in Haiti. Nora has already arranged for a hospital and surgeon (here in Illinois) to pick up the cost of his surgery and hospital stay. He also has a Host Family ready to care for him but other expenses (air fare, passport etc.) totaling \$2,500 need to be met. Ronest lives with his grandmother and 4-year-old sister. His father is a mechanic, his mother died in 2007. He lives in a 3 room house with rock walls, an iron roof and cement floor. There are two beds in the home and it does have electricity at times but no running water. He does

NOT have food to eat every day. Please consider helping us bring Ronest to Chicago for treatment.

If you have questions please email Susan at suelynn144@aol.com

Help Needed to Prepare Donated Eye Glasses for Haiti Mission Trip

Request from Susan Gross, Haitian
Lutheran Mission Project, Christ
Lutheran Church, Orland Park and Tim
Hetzner, President, Lutheran Church
Charities

HELP!!! First we would like to thank all who are making it possible to bring eye glasses to Haiti as part of our mission trip in March 2010. We have a favor to ask. If anyone knows of an EYE GLASS PROFESSIONALS/OPTOMETRIST who will help us get the prescriptions read on the glasses we have collected we would greatly appreciate the help.

We will be washing and sorting these eye glasses after the first of the year ourselves but

we need people who are able to read the glasses and label them before we can pack them for the trip. If several people volunteer it can be done without asking too much of just a few.

Please consider asking your local eye doctor to help us with this.

If you are able to help read the prescriptions of these glasses please call LCC at 866-455-6466 or email LCC@LutheranChurchCharities.org

Malaria Initiative

'Malaria Initiative' is a non-profit corporation formed by Susan Busse MD., Thomas Hesselink MD., and John Peterson, to bring spiritual and medical treatment to those suffering from Malaria, working with Lutheran Church Charities.

A treatment of acidified sodium chlorite at a cost of less than \$00.01 USD. per dose has proven to be very promising in preliminary laboratory and field trials. We have been working in Uganda, Sierra Leone, Ethiopia, and Ghana to improve our working relationship in these countries to further the treatment of Malaria using this particular treatment. Our goal is to spread the Message of Christ and bring a useful and inexpensive treatment for Malaria; Malaria being the number one infectious killer world wide.

We are currently working at gathering more scientific data from sites that have Malaria patients, to track them along with their progress, and to document the results of the treatments so we can publish in medical journals. We are supporting a PhD. student doing thesis work at Western Michigan University on this promising treatment.

Malaria Initiative is looking to get help financing the above stated goals so they may travel to train personnel and fulfill all our commitments. The three principals have taken no payment for their services, all have volunteered their services and funded much of the costs out of pocket along with donations from generous donors.

Visit their web site: www.malaria01.org or E-mail: malaria01@yahoo.com

Roof Collapsed on LCC's Donated Warehouse

We Need Your Help to Find Storage ASAP for all our Disaster Response Equipment

The roof on the donated warehouse space that LCC has been using in Mundelein collapsed due to the weather. Thankfully no one was in the building at the time but its collapse means that LCC no longer has space available to store our disaster response equipment. We also used the warehouse for the temporary storage of furniture and supplies for our Ethnic Ministries and for disaster victims. Warehouse space is vital to meet the increasing ministry needs that have been placed before LCC. Help us to continue - by the Grace of God - to Make a Difference in People's Lives and in God's Kingdom.

If you know of any available warehouse space please contact Tim Hetzner at 866-455-6466 or email LCC@LutheranChurchCharities.org.

Nathan and family have been in Ghana for 6 years, and if they continue to meet their scheduled goals should complete the translation project in 2013. This family of 6 (children ages 1-10) will be visiting supporting congregations in Ohio, Michigan, Wisconsin and Illinois, and coming to the LBT office in Aurora.

Help Needed for Student Missionary in Japan

Request from Rev. Carl Kaye, former NID Pastor currently serving as a Missionary in Thailand

As we pray for our brothers in Haiti, I'd like to introduce a need for one of our young missionaries in Japan. Jenae Siebarth is doing great things for Jesus with Japanese kids in the Japan Lutheran Church. Jenae, an LCMS World Missions GEO missionary needs financial help to continue working in Japan as a volunteer missionary, reaching hundreds of young people for Jesus Christ each year. Multiply this by 3 to 5 more years and you can imagine how one college graduate is doing great things for the kingdom. She's taken a step of faith by raising her own funding, leaving home and friends and has worked tirelessly on the Japan mission field for the

last three and half years teaching English, and organizing evangelism events.

Unfortunately, her financial support base needs some help. Jenae will need to raise several thousand dollars to stay on the mission field in Japan where less than 1 % of the population is Christian. I highly recommend her, and as a pastor in Chicago, formerly working with International students at UIC, I would hire her myself. She's a passionate missionary. Her contact info is the following: See her prayer card at www.lcmsworldmission.org/prayercards or read her online giving page at www.lcms.org/pages/internal.asp?NavID=10139. If you would like to read any of her current or recent newsletters, please contact her at Jenae.Siebarth@lcms.org and she'd be happy to send you some.

Luther North High School
5700 W. Berneau Ave.

Griffin is a spirited 5 year-old who enjoys playing with his siblings, going to school and making people laugh. He lives in Denver with his parents, Mike and Shawna (Hawkins), his sister Holland (7), twin brother Jamison and their dog, Bear. Griffin's parents both grew up in Chicago and have a host of family and friends in the Chicagoland area.

Griffin needs your help. Shortly before Christmas, this amazing little boy was diagnosed with *anaplastic astrocytoma*, a life threatening brain tumor. Since this time Griffin has been undergoing daily treatments to fight this cancer. As you can imagine, this experience has already caused Griffin and his family intense emotional and financial challenges. We are asking for your help to raise money for the Bohan family in their time of need.

A benefit, **Friends for Griffin**, will be held at 7PM on Saturday evening, April 10th at Luther North High School, 5700 W. Berneau, Chicago, IL. The evening will feature a DJ, band, appetizers, cash bar, live auction, silent auction and raffle.

Your help is needed to make this night a success. Please consider donating an item(s) for the silent auction and/or raffle.
