LCC Announces  
"Send a Spoken

Fairport, New York, is very familiar with that miracle in the scriptures but he didn't expect to see it repeated in his own life.

Last Sunday, Mark Lillie, one of the coordinators for the Haiti Collection Site at Risen Christ, updated the congregation on the progress of the collections as the worshipers could visually see the donations growing around them in the sanctuary. After the service, Mark Barbero, the owner of Debbie Supply Inc, a 53-year-old family owned and operated hardware store, asked what else he could do to help with the collection. Debbie Supply is already a collection site for the community. They are also donating the pallets and the use of a fork lift to load the shipping container from Orphan Grain Train. Mark learned that they needed tools in Haiti to help dig through the rubble (the Haitians have been doing this by hand) and decided that since he owned a hardware store, and tools were his business, he could donate some tools.

On Sunday evening, he poured through the stock catalog from which he orders supplies for his store, looking for tools and items that could be used to help with the recovery efforts, or to start to rebuilding homes. At 9:30 p.m. Mark emailed the completed order form, along with a note to a long time friend Damien (who was the sales rep at Bostwick-Braun), telling him that this was a special rush order and would go into the Haiti collection container.

At six a.m. the next morning, Mark checked his e-mail before going to work and found a reply from Damien. He told Mark that Bostwick-Braun would *match* his order and send him *double* of what he had ordered! By Tuesday a good portion of the order had arrived and the rest would be delivered before the final collection day, this Sunday, February 28th, and in time to place it before the altar at church with the other donations that were dropped off this week.

## Request from Haiti - Non-Glass Holy Communion Sets

Susan Gross, Haitian Lutheran Mission Project, Christ Lutheran Church, Orland Park, received the following email from Pastor Edgard, Pastor Isaac's brother-in-law, on Tuesday, February 16th:

Good PM Sue,

I went all the way to a remote country church climbing the mountains, going through the valleys, walking 8 long hours back and forth just to help God's people the other day which was Saturday and Sunday. 9 infant baptisms, 1 wedding, holy communion! Wow!!! But, the building is in so bad shape and the people are in so dire need that I could not hold my tears. When you come next month, WOULD YOU BE SO KIND AS TO BRING FOR US AT LEAST TWO HOLY COMMUNION SETS? I felt so embarrassed to find no way to serve God's people the holy communion. No cups, no plate, no table, no nothing!

What a challenge!

Do what you can, and as usual, the Lord will get it back to you hundredfold. Actually, we need as many holy communion sets as possible.

See you soon!

## 2010 Lent Biblical Study Tour Returns Theme: Having a Theology that will be the Death of You!

Theme: [Having a Theology that will be the Death of You!](#)

I want to thank everyone for their prayers while we were gone. All 34 people that went returned! After 12-22 hour days of touring the Land of the Bible all have returned home. What a wonderful group and experience to study the 5TH Gospel - the land! I AM in the stages of planning the next Biblical Study tour which will be announced in a few weeks.

Some pictures from this group will be posted in the days ahead. I also want to thank all who followed and prayed for the group while we were gone.

## Students at St. Matthew Lutheran School, Hawthorn Woods, Collect Coins for Haiti

On Monday, February 22nd, the student council members of St. Matthew Lutheran School in Hawthorn Woods presented Tim Hetzner, LCC President, with a check for the Haiti Relief Fund. Each student in the school was given a bottle of water to drink then returned the bottles filled with coins and bills - for a total of almost \$1,000!

## Need Met! Single Mother of Two Facing Eviction

Thanks to your generous donations, this need has been met.

Request from Pastor Brian Davies, Lord of Glory Lutheran Church, Grayslake

Jana is a mother of two children, a 3-year-old and an infant. Although her family is Muslim, her 3-year-old attends our Gloryland Christian Preschool. Recently, Jana's husband left her, and Jana is left without a job or money. Her child is now on scholarship with our preschool, and our food pantry is helping, but we are looking for help in providing living expenses, and a place to live. We are looking for about \$1500 to help Jana's immediate needs and help her avoid eviction. Any help of monetary donations will be a blessing to this family.

## New Tax Break for Contributions to Haiti Earthquake Relief **ends February 28th**

On January 22, 2010, legislation was passed that allows certain 2010 contributions for Haiti earthquake relief to be deducted on your 2009 tax return instead of your 2010 return. This means you can receive an immediate tax benefit, rather than having to wait until you file next year's return. Certain requirements apply.

Below is the link to the IRS website which lists the requirements. Be sure to ask your tax advisor for additional details.

## Several Doctors Needed For March 11-20th Mission Trip to Haiti - Jeremie with Pastor Isaac

I will be in Haiti March 11th-20. I will be traveling with the mission team headed up by Susan Gross from Christ Orland Park. Although I will be traveling around to our Lutheran Churches while there, the mission team is in need of several doctors to take care of some of the medical needs of the refugees from Port-au-Prince who are out in Jeremie with Pastor Isaac. The doctors would work in a clinic and would do a quick diagnosis of refugees and tell

us whether or not they need follow up care at the hospital. Most of these people are just coming with sores, high B/P, malnutrition, worms, and asthma. Many need just basic hygiene instructions and antibiotics and vitamins. You would have to cover your costs of approximately \$2000. Please contact Tim Hetzner at 866-455-6466 or at [TimHetzner@LutheranChurchCharities.org](mailto:TimHetzner@LutheranChurchCharities.org) if you would like to go.

## Supplies Needed for March Medical Mission Trip to Haiti

The Haiti Mission team is asking for your assistance in collecting donations of medical and dental items. Please contact the LCC office at 866-455-6466 to arrange a drop off time. Please arrange to drop off supplies by Friday, March 5.

## Single Mother of Three Needs Car and Financial Assistance

[Request from Pastor Brian Davies, Lord of Glory Lutheran Church, Grayslake](#)

Thank you, people of God, for recently helping Lord of Glory in Grayslake provide support for an abandoned wife and mother. We now have another family, a different family entirely, who now has nothing also thanks to a fleeing husband and father. After being arrested and jailed for domestic abuse, this father/husband somehow

made bail, and has taken the car, cell phone, and other necessary items. In addition to a 10-year-old and an 8-year-old, they have a one-year-old little guy that has Down Syndrome. So, needless to say, there are lots of doctor appointments to go to, etc., and mom has no way there. We are hoping to line up this family with a used car and also provide about \$1500 to help with immediate needs. I can be reached at [pastorbrian@lordofglory.org](mailto:pastorbrian@lordofglory.org). Thanks and God Bless.

## Single Mother of Three Needs Vehicle for Work

[Request from Pastor Eric Allyn, Immanuel Lutheran Church, Elmhurst](#)

We have a member who has experienced great difficulties in her life. She is an immigrant from Liberia who has been here for 10 years and is now a citizen. About three years ago she began having heart problems that resulted in a successful heart transplant. While she was ill she was abandoned by her husband and is now a single mother with three children. She has worked hard to get back on her feet and now has a job to which she must commute. She needs a car to continue this employment and we are seeking the donation of a running vehicle that will be dependable basic transportation.

If you have a vehicle you would like to donate, please contact LCC at 866-455-6466 or email [LCC@LutheranChurchCharities.org](mailto:LCC@LutheranChurchCharities.org)

## LCC Receives Temporary Warehouse Space to Prepare for Disaster Response

Thank you to the Center Point Properties Management Company and Danielle Radtke for the temporary use of one of their Itasca warehouse for three weeks. LCC now has a place indoors where the volunteers can do the finishing touches on the Disaster Response Trailer, and sort, ID and load the tools into the new trailer. Once that is done we will have a Disaster Response

Trailer that will be available to be deployed immediately along with the LCC LERT (Lutheran Early Response Teams). Thank you for enabling LCC and its volunteers to Make A Difference.

## Comfort Dog Ministry Update

[School Visit at New Hope, Chicago](#)

Tillie and Pete Imlah visited New Hope Lutheran School, 6416 South Washtenaw Avenue, Chicago on Friday, February 19th. They visited with the second through fifth graders who asked a lot of great questions about the K-9

Comfort Dogs and the work we do with them. The kids got a great kick out of having a dog in their school and being able to pet Tillie.

### Mission Fair, Trinity Roselle

On Sunday, February 21st, Billie, Tillie and Star were the main attraction at the Mission Fair at Trinity Lutheran Church in Roselle. The dogs and their handlers were available before and after worship services during the weekend for people to learn more about the different work that Lutheran Church Charities does here in the Northern Illinois District and around the world.

### Pack 37 Blue and Gold 100th Birthday Party for Scouting

Ladel and Tillie were invited to the Pack 37 Blue and Gold 100th Birthday Party for Scouting this past Sunday at the Schaumburg Golf Course. In celebrating 100 years of Scouting in the United States the scouts were invited to bring a birthday gift for a needy child. These gifts were presented to Pete Imlah - LCC's Director of Mission and Outreach.

Sunday was also a tribute to Tom Hoffman, the retiring Cubmaster since 2006. "Tom is reliable and prepared, and keeps the Scouts in mind in everything he does," says assistant Cubmaster, Dale Wiegand, from Pack 37 in Arlington Heights/St. Peter's Lutheran Church and School. "His quiet smile and positive attitude are contagious, he's an incredible example for these boys." LCC would like to thank Tom Hoffman for his years of dedication and service with these fine boys. It is evident that you have made an impact on their lives.

### Thanks to Your Generous Support, We Were Able to Provide Assistance to the Following:

## Minister to the Missionaries in West Africa

Northern Illinois District President Dan Gilbert and his wife Jan have been asked to lead a retreat for the LCMS and Lutheran Bible Translators missionaries in West Africa this coming March. God willing, they will do six days of worship, Bible study, and counseling with the missionaries and their families at a Christian retreat center in Lamina, Ghana, a few hours west of the capital city of Accra. President Gilbert also hopes to meet with President Paul Fynn of the Evangelical Lutheran Church of Ghana while there.

The cost for their airfare needs to be covered. Round trip for the two of them comes to a total of \$2,757, and they request that brothers and sisters prayerfully consider an offering to help cover this cost.

## "JJ's Fund"

### Request from Rev. Harold Krueger to help his great-grandson

The congregation of St. Matthew Hawthorn Woods is raising money for Baby Jeremiah Krueger, the great-grandson of Pastor and Ruth Krueger, and the grandson of Paul and Chris Krueger. "Baby JJ" has a very rare skin disorder that is called Epidermolytic Hyperkeratosis. It is a disorder that does not allow the skin to stay

attached to his body. He basically is like a burn victim who will never heal. One in 300,000 babies are born with this rare disease. He needs our prayers and special care from the Mayo Clinic. His parents' insurance does not cover this cost. Thrivent Financial has offered to match funds up to \$5000. You can read about JJ's journey on St. Matthew's website, [www.stmatts.net](http://www.stmatts.net). Please consider a donation to help this family with their mounting medical bills for Baby JJ.

## Host Family Needed in Peoria for 8-Year-Old Haitian Girl Needing Surgery

### Request from Susan Gross, Haitian Lutheran Mission Project, Christ Lutheran Church, Orland Park

We are looking for a host family in the Peoria, Illinois area for a beautiful 8-year-old Haitian girl needing surgery at St Francis Hospital. Farah had surgery at St Francis in July of 2008 and returned to Haiti in September of 2008 a healthy happy child. She does need follow up surgery and may be coming to Peoria as soon as March 4, 2010 if her visa is approved. Farah is a very lovely, well behaved little girl who stole the hearts of everyone who cared for her back in 2008.

She will need care after her surgery and follow-up doctor visits. The length of her stay is uncertain at this time but we do not anticipate that it will be as long as the last stay. We are ALSO looking for someone that speaks Creole to

help translate between doctors and Farah. I think we had a Creole-speaking health care worker at St Francis the last time she was there, but if there are others that can help with this it would be a great blessing. For more information please contact Susan Gross at [suelynn144@aol.com](mailto:suelynn144@aol.com)

## St. John's Cancer Victim and Family Needs Help with Medical Bills

Request from Pastor William Stroup,  
St. John's Lutheran Church, Algonquin

We are working with a member family in desperate need of financial help. Dan (43 years old), and his wife Susan, have one son. In 1996, at the age of 30, Dan was diagnosed with an inoperable brain tumor. He went through standard rounds of radiation treatment at the time and everything was fine for many years. A year later, in 1997, they found out that Susan also had a brain tumor. Susan went through an 11 ½ hour surgery and they removed only ½ of her tumor. As of this writing, Susan is in stable condition. Dan, on the other hand is a different story.

In 2001 Dan started to have grand mal seizures. This led to him getting maxed out on many different medications. In 2005 Dan was diagnosed with a grade IV Glioblastoma. He was told that this is a very aggressive cancer and that he had already received the max dosage of radiation a person can receive in their lifetime; so chemotherapy was the next course of treatment. Dan completed four years, and four types of chemo in June of 2009.

Unfortunately, it is now six months later and the cancer is on the rise once again. Dan has now found himself going back on chemotherapy. Dan was once a very active business owner and young, outgoing individual. He is now trapped to the likes of seizures, drugs and hospital visits. He cannot work and support his family. His insurance, medications, and general life expenses are far more than his wife can handle. As a family they have been helped by other family members as much as they can. We are doing what we can as a congregation. Any additional support for this family as they struggle to regain financial stability would be a great blessing.

## \$2,500 Needed for 18-Year-Old Haitian Boy's Medical Treatment in Chicago

Request from Susan Gross, Haitian Lutheran Mission Project,  
Christ Lutheran Church, Orland Park

The Haitian Lutheran Mission Project has been asked to assist an 18-year-old Haitian boy named Ronest from Les Cayes, Haiti. He has been diagnosed with a condition called neurofibromatosis. These are small tumors that grow all over his body. They may return after being removed but we are considering bringing him to the States to have them removed because two of the largest tumors (one on his upper left arm and one on his upper left chest) have become very painful. He has a number of other lumps on his lip, torso, arms and legs.

He has contacted Nora (a full time missionary at our Lutheran Church in Les Cayes) for help and she contacted us. Nora has been a friend of ours for years and we often network to help the Lutheran Pastors in Haiti. Nora has already arranged for a hospital and surgeon (here in Illinois) to pick up the cost of his surgery and hospital stay. He also has a Host Family ready to care for him but other

expenses (air fare, passport etc.) totaling \$2,500 need to be met. Ronest lives with his grandmother and 4-year-old sister. His father is a mechanic, his mother died in 2007. He lives in a 3 room house with rock walls, an iron roof and cement floor. There are two beds in the home and it does have electricity at times but no running water. He does NOT have food to eat every day. Please consider helping us bring Ronest to Chicago for treatment.

If you have questions please email Susan at [suelynn144@aol.com](mailto:suelynn144@aol.com)

## Help Needed to Prepare Donated Eye Glasses for Haiti Mission Trip

Request from Susan Gross, Haitian  
Lutheran Mission Project, Christ  
Lutheran Church, Orland Park and Tim  
Hetzner, President, Lutheran Church  
Charities

HELP!!! First we would like to thank all who are making it possible to bring eye glasses to Haiti as part of our mission trip in March 2010. We have a favor to ask. If anyone knows of an EYE GLASS PROFESSIONALS/OPTOMETRIST who will help us get

the prescriptions read on the glasses we have collected we would greatly appreciate the help.

We will be washing and sorting these eye glasses after the first of the year ourselves but we need people who are able to read the glasses and label them before we can pack them for the trip. If several people volunteer it can be done without asking too much of just a few.

Please consider asking your local eye doctor to help us with this.

If you are able to help read the prescriptions of these glasses please call LCC at 866-455-6466 or email [LCC@LutheranChurchCharities.org](mailto:LCC@LutheranChurchCharities.org)

## Malaria Initiative

'Malaria Initiative' is a non-profit corporation formed by Susan Busse MD., Thomas Hesselink MD., and John Peterson, to bring spiritual and medical treatment to those suffering from Malaria, working with Lutheran Church Charities.

A treatment of acidified sodium chlorite at a cost of less than \$00.01 USD. per dose has proven to be very promising in preliminary laboratory and field trials. We have been working in Uganda, Sierra Leone, Ethiopia, and Ghana to improve our working relationship in these countries to further the treatment of Malaria using this particular treatment. Our goal is to spread the Message of Christ and bring a useful and inexpensive treatment for Malaria; Malaria being the number one infectious killer world wide.

We are currently working at gathering more scientific data from sites that have Malaria patients, to track them along with their progress, and to document the results of the treatments so we can publish in medical journals. We are supporting a PhD. student doing thesis work at Western Michigan University on this promising treatment.

Malaria Initiative is looking to get help financing the above stated goals so they may travel to train personnel and fulfill all our commitments. The three principals have taken no payment for their services, all have volunteered their services and funded much of the costs out of pocket along with donations from generous donors.

## Roof Collapsed on LCC's Donated Warehouse

### [We Need Your Help to Find Storage ASAP for all our Disaster Response Equipment](#)

The roof on the donated warehouse space that LCC has been using in Mundelein collapsed due to the weather. Thankfully no one was in

the building at the time but its collapse means that LCC no longer has space available to store our disaster response equipment. We also used the warehouse for the temporary storage of furniture and supplies for our Ethnic Ministries and for disaster victims. Warehouse space is vital to meet the increasing ministry needs that have been placed before LCC. Help us to continue - by the Grace of God - to Make a Difference in People's Lives and in God's Kingdom.

If you know of any available warehouse space please contact Tim Hetzner at 866-455-6466 or email [LCC@LutheranChurchCharities.org](mailto:LCC@LutheranChurchCharities.org).

## Can You Help Us Find Some Temporary Warehouse Space?

The efficiency of the recent Haiti Collection event really highlighted more of what LCC would be able to do if we had a warehouse facility that volunteers could work from.

The facility would also enable us to store the disaster response vehicles and equipment in a state of preparedness and would help us to move quickly.

For the other parts of our ministry, we need:

- Workspace for our volunteers that is climate controlled
- Short term storage space for donations until they can be picked up
- Space large enough where we can drive in and store our Disaster Response RV and trailers for immediate DEPLOYMENT
- A cargo bay allowing us the ability to load semis would also be a nice and useful feature.

If you know of someone who owns or has available warehouse space that isn't being currently used, please contact Tim Hetzner at Lutheran Church Charities. We understand that use of the warehouse would not be permanent and that the owner would have the full rights to regain their facility if it was to be rented or sold. LCC would carry the insurance on the space we are using. Please contact Tim Hetzner - President of LCC at 866-455-6466 if you know of someone. This would be a tremendous help in meeting the increased demands LCC faces. Help us to continue to - by the Grace of God - Make A Difference in People's Lives and in God's Kingdom!
