How To Support LCC

Tim Hetzner Arrives in Haiti

Monday morning, May 17th, Tim and Rev. Glenn Merritt, Disaster Coordinator for LCMS World Relief and Human Care, arrived safely in Port Au Prince, Haiti. They have connected with Rev. Marky Kessa, President of the Lutheran Church in Haiti (ELCH). Tim will be delivering relief aid and coordinating the ongoing relief efforts through our Lutheran Church Body in Haiti and the LCMS.

Pictured - Tim delivered a gift and cards to Mrs. Louis, widow of Rev Doris-Jean Louis who was murdered in Haiti on March 12th. The children from Christ the King Lutheran School in Chicago had taken a collection and written cards for the Louis family.

March 26, 2010 - Pastor John Brazeal, his wife Geri, and students from Christ the King Lutheran Church and School in Chicago presented Tim with money they collected to help the widow and children of Rev. Dr. Doris-Jean Louis.

NEED MET WITHIN A FEW HOURS OF SENDING Branches and stick removal

Request from Willis and Alice Schwichtenberg - Freeport, IL for Family in Elgin, IL

My name is Alice Schwichtenberg, and I am married to Willis Schwichtenberg who is the pastor at Immanuel Lutheran Church in Freeport, IL. Yesterday, we went to Elgin, IL to take care of the mowing of a lawn that needed it. The owner of the house died unexpectedly last August. His only relative is a son in prison. That is how I heard of the lawn situation - through the lawyer who called here. Anyway, there are a lot of branches and sticks there. We tried to carry them, or most of them, to the backyard area. I am wondering if anyone in Elgin has a pickup truck who could come there and take out the branches from off the ground. The elderly man who owned the property did not do that for years. If you can help, please call Alice or Willis Schwichtenberg at 815-235-8689

LCC Emergency Assistance Fund

LCC gets requests daily concerning people who need assistance, and it is increasing because of the current economic times we are living in.

LCC works through our churches to provide assistance by making the need known - and dollar per dollar we give the money to a church to help the family or individual. However, we receive some requests that are emergencies, and money is needed that day or the next day and we can't always get the need out in our weekly email newsletter first.

Would you consider making a gift to our LCC Emergency Assistance fund so that when these emergency needs occur we can help (through our churches) quicker? This is an important way for the Body of Christ to share the Mercy and

Compassion and Proclamation of Christ.

Comfort Dog Ministry Update

[Star, Tara and Tillie at Walther Lutheran High School](#)

On Wednesday, May 12th, LCC's K-9 Parish Comfort Dogs were invited to share about the ministry during the chapel at Walther Lutheran High School in Melrose Park. Pete Imlah shared with the students about how the dogs are used as a bridge to connect with individuals. He challenged the students to think about individuals they know that need to hear the Good News of Jesus Christ. After Chapel the dogs and their handlers (Tranetta McComb and

Vida Johnston) spent time visiting with students.

[Tara and Tillie at Faith Lutheran Church in Arlington Heights](#)

Pete Imlah was asked by Pastor Tom Sanders to share about LCC's K-9 Parish Comfort Dogs during the services on Sunday, May 16th. Pete shared about the important bridge that the K-9's form which enables the handler to share about love and compassion of Jesus Christ and often opens the door for them to pray with individuals.

Tara and Tillie at New Trier High School in Winnetka

An exciting door was opened for Ami Moore (LCC's Dog Coach) and Pete Imlah to share about K-9 Service Dogs and LCC's K-9 Parish Comfort Dog Ministry to a group of Student Leaders at New Trier High School on Wednesday, May 12. Ami and Pete shared about the training that service dogs go through and how they are trained to focus on tasks and not get distracted by temptation. They compared this to the life of a high school student who can easily become distracted if they don't stay focused on their studies and goals in life. LCC K-9 Parish Comfort Dogs are available to visit any group. Contact pete@LutheranChurchCharities.org or call (866) 455-6466.

THANK YOU for MAKING A DIFFERENCE

Because of your generous donations, LCC was able to sponsor a See Through the Scriptures seminar in Haiti for 150 Lutheran Pastors and Lay workers, equipping them with resources and materials to meet their exploding growth of people coming to church!

The Christian Church is growing daily! THANK YOU for not only supporting the Physical needs of the people of Haiti, but also and most importantly their Spiritual needs! (They want to know when they can do another seminar in another location!)

If you want to help make that happen you can [donate now](#) and when we have enough resources to make it happen, we will schedule it!

Work Needed in Lansing Area

[Request from Pastor Paul Appold, Trinity Lutheran Church, Lansing, IL](#)

I have a man in my congregation who is in a situation where he has been trying to find a job, any job, and he cannot find anything. He has applied at more than 15 places. He is a hard worker. He likes physical, outdoor labor, with some ability to drive tractors and other equipment. He is 55 years old and needs a boost in life. If possible he would like to stay in the area around Lansing to be close to his daughter. He's open to most any kind of work.

If you know someone who is hiring or for more information, contact LCC at 866-455-6466 or email LCC@LutheranChurchCharities.org

Unemployed Father of Four Needs Assistance for Car Repairs

[Request from Christine Rechsteiner Campus Ministry Coordinator, Celebration Ministries, Park Forest, Illinois](#)

We have a gentleman at our church that lost his job 7 months ago. In the meantime, while he looks for work, he has given 110% of his extra time in helping us get the ministry off the ground. His car broke down last week and he continues to walk here (which takes him an hour) to continue to be a blessing to us. The repairs to his car will cost \$1500. He is divorced and pays child support for his four children. He just has enough money to pay his regular bills; this car expense will put him

behind. We are doing all we can to help him. Any additional support for him would be such a blessing for this tireless servant!

Assistance Needed for Single Mother Facing Foreclosure

[Request from Pastor James Zimmerman, St. Paul Lutheran Church, Addison Illinois](#)

We have a member family that we are working with that is facing foreclosure. She is a single mother, her child is in high school. She recently lost her job and is actively looking for work. She is not eligible for unemployment so she doesn't have any money coming in. Prior to losing her job she had an excellent credit history. She has only been in her home for a few years so she doesn't have much equity. Because she is ineligible for unemployment her situation is becoming desperate. The congregation is helping all that we can. Any additional help that can be provided would be such a blessing to this family.

Housing Assistance Needed for Soon to be Homeless Elderly Woman

[Request from Pastor Gerald Menk, Faith Lutheran Church, Lake Forest](#)

We are working with an elderly woman in the area who urgently needs help. She is in need of housing. Due to circumstances beyond her control, she is desperate. Her current housing arrangements are coming to an end and if she is unable to find other accommodation she will be forced out and will once again have to live in her car. Ideally it would be great to find a room in someone's home "Maria" is able and very willing to help out around the house; however anything that can be done to help would be greatly appreciated.

If you know of available housing in the Chicagoland area please contact LCC@866-455-6466 or email LCC@LutheranChurchCharities.org

Lutheran Church Worker in Need of Medical Assistance and Car

[Request from Pastor Randy Duncan, Living Word Lutheran Church, Plymouth, Michigan](#)

I am writing to request assistance for our Vicar/Pastoral assistant. He is in the SMP program at Ft. Wayne Seminary. He and his wife have 5 children. They do cross-cultural ministry working with Middle-Eastern refugees and others, inner-city outreach, as well as co-lead Jr. High ministry. The church pays their health insurance and he raises his own support to live. He has two pressing needs. The congregation is helping but these needs are beyond our ability to provide.

1. They need a minivan. Their current van can no longer be repaired. With the number of miles that they travel for ministry they are in need of

reliable transportation.

2. Their 16-year-old son and 14-year-old daughter need orthodontia work, some of it quite extensive. Their insurance does not cover orthodontics.

They are looking for an Orthodontist who is willing to work with them and allow an extended payment plan or monetary assistance so that the children can get the work done that they need.

Any assistance for this committed Christian family that will allow them to continue serving would be a tremendous blessing.

If you have a minivan to donate please contact LCC at 866-455-6466 or email LCC@LutheranChurchCharities.org

Help LCC Purchase a Much Needed Truck

LCC continues to supply food, clothing, furniture, and other needed items to families in need through our churches. In the past we have done most of this with donated vans and trailers. As the needs increase, this is becoming too costly to operate. We also need a truck to pickup items for Disaster Response. We would like to purchase this truck to more efficiently do this.

One of our volunteers has a 2003 Ford Rockport box truck that they are willing to sell to us at a great price. The truck has less than thirty-thousand miles on it and we can have it for \$10,000. This would be such a help for us in our ongoing ministry of non-cash items! Could you help us purchase this truck. LCC does not believe in going into debt so we will only purchase this if we can raise the money. Can you help us in our ever expanding ministry of helping those in need with the Mercy and Compassion of Christ through churches! Thank you for all your support!

Car Needed for Young Family with Three Children

[Request from Pastor Dan Hawkins, New Song Church in Aurora](#)

We have a member family who is in need of a reliable car/minivan. They have three young children, the parents are in their 20's. The father has been out of work for several months but is diligently looking for work. If someone had a car or minivan to donate it would be such a blessing to this young family as they struggle to get back on their feet.

If you have a vehicle to donate please contact LCC at 866-455-6466 or email LCC@LutheranChurchCharities.org

Wycliffe Missionary Family Needs Car While on Furlough

LCC Offers Lutheran Early Response Team Training

Tim Hetzner to Lead Training Session

In order to better manage volunteers and resources, FEMA is finalizing a guideline on credentialing volunteers for large-scale disasters. The federal guidelines indicate that volunteers responding to a disaster should be trained and certified. LCC is providing training for Lutheran Early Response Teams (LERT) through out our district. Should a disaster strike these teams would be put on call and may be asked to deploy in 72 hours or less to the disaster site.

This training will prepare team member for credentialing and will focus on the safety, work, and ministry of Lutherans as Early Responders.

The next training is scheduled for: Wednesday, June 30th at St. John Lutheran Church in Algonquin, Illinois. The sessions will run from 6 PM to 9 PM. A light meal will be provided at 5:30 PM. Registration is \$20 and helps cover the cost of the training materials, meal, and the

LERT T-shirt, which is required to be worn in a disaster response situation.

Malaria Initiative

'Malaria Initiative' is a non-profit corporation formed by Susan Busse M.D., Thomas Hesselink M.D., and John Peterson, to bring spiritual and medical treatment to those suffering from Malaria, working with Lutheran Church Charities.

A treatment of acidified sodium chlorite at a cost of less than \$00.01 USD. per dose has proven to be very promising in preliminary laboratory and field trials. We have been working in Uganda, Sierra Leone, Ethiopia, and Ghana to improve our working relationship in these countries to further the treatment of Malaria using this particular treatment. Our goal is to spread the Message of Christ and bring a useful and inexpensive treatment for Malaria; Malaria being the number one infectious killer world wide.

We are currently working at gathering more scientific data from sites that have Malaria patients, to track them along with their progress, and to document the results of the treatments so we can publish in medical journals. We are supporting a PhD. student doing thesis work at Western Michigan University on this promising treatment.

Malaria Initiative is looking to get help financing the above stated goals so they may travel to train personnel and fulfill all our commitments. The three principals have taken no payment for their services, all have volunteered their services and funded much of the costs out of pocket along with donations from generous donors.
