Dollar per Dollar Your Donations Buy Shoes for Haitian Children

The response to Tim's appeal for shoes for the children in the tent cities in Haiti has been tremendous. Thank you to everyone who has already donated. Your generous donations have put shoes on the feet of so many children, but there are many more who are still barefoot and need our help. Shoes are still available for purchase in Haiti and are desperately needed to protect the children from disease. Please [contribute now](#) if you are moved to help! Thank you for your compassion for these children.

Hundreds of barefoot children are eagerly waiting in line for shoes that will help protect them against infection and disease caused by walking in mud and other hazardous materials in the aftermath of the earthquake.

A Haitian child smiles joyously as he is covered in new shoes purchased by your donations! These shoes produced more smiles when they were distributed to other children in need.

Homeless Family with Three Small Children in Desperate Need of Assistance!

Requested by Rev. Michael Graham, Emmanuel Lutheran Church, Aurora, Illinois

This family has had financial difficulty for the past two years that I have known them. They moved from Joliet and are able to work on and off. A year ago the mother had fairly good and stable employment, but was let go, and the father works construction jobs when anything is available. Since last November they have been homeless and living in transitional housing at Hesed House, the local homeless shelter. The mother was pregnant at the time they moved into the homeless shelter.

The baby was born April 6 with severe complications. She was rushed to Lutheran General for surgery and put into Neonatal Intensive Care. She has difficulty swallowing and her larynx collapses. She has to be tube fed.

Before the baby was released from the hospital, there was an outbreak of Tuberculosis at the homeless shelter and the county health department will not allow the baby back there. It could be several months before this situation is cleared up.

Currently the father and two boys (ages 3 and 4) are staying at the shelter, but the mother is with her mother but is not allowed to be there because of public housing rules and also the grandmother has medical and emotional problems that make it undesirable and not adequate to care for the baby.

Immediate need:

A place where the mother and baby can live temporarily, probably a few months at least, so she can care for the baby with her medical needs. Best would be a place where the husband and two boys could also stay, that way the mother could care for the boys as well when the father is able to work.

Long term need:

Financial assistance to pay medical bills and expenses to allow them to move into an apartment.

This young family is in a desperate situation. Any help that can be given to them would be such a blessing as they work to put their lives back together and move from being homeless.

If you know of any available temporary housing please call LCC at 866-455-6466 or email LCC@LutheranChurchCharities.org

K-9 Parish Comfort Dog Shami Placed at St. John, Darien

On Sunday, May 30th, Lutheran Church Charities' K-9 Parish Comfort Dog Shami was placed at St. John Lutheran Church and Early Learning Childcare Center in Darien, IL. In a special recognition time during the service, Pete Imlah "Passed The Leash" to Reverends David Bottorff and Doug Swanson. The Handlers and Caretakers then came before the congregation to be commissioned to be faithful, obedient and available to God in going out with Shami to share the love and compassion of Jesus Christ. We are excited about the mission plan that St. John has put into action regarding using Shami as a bridge into their community.

Need Met! Because of the generous donation of a car, this need has been met!

Car Needed for Young Family with Three Children

Request from Pastor Dan Hawkins,
New Song Church in Aurora

We have a member family who is in need of a reliable car/minivan. They have three young children, the parents are in their 20's. The father has been out of work for several months but is diligently looking for work. If someone had a car or minivan to donate it would be such a blessing to this young family as they struggle to get back on their feet.

Your Donations Make A Difference

Jan Burmeister (pictured with Warren Bernau) contacted LCC about donating a 15 passenger van owned by Fox Valley Lutheran Academy. They could no longer use the van for transporting students and wanted to know if LCC could place it with another Lutheran Ministry. Christ the King in Chicago was in need of a 15 passenger van so the connection was made. Pastor John Brazeal (pictured) stopped by LCC's offices in Addison to

pick up the van. The van had been filled with a corporate food donation. Christ the King will be able to use both the van and the food as part of their continuing outreach to the community that they serve.

Thank you Fox Valley Lutheran Academy! Your donation will continue to bless the Kingdom as Christ the King uses it to minister to their community with the Compassion and Mercy of Christ.

Thanks to Your Generous Support, We Were Able to Provide Assistance to the following:

- Prison Ministry Fund - Northern Illinois District
- Celebration Ministries, Park Forest, IL - Unemployed father of four assistance fund

\$789 Needed to Help Single Mother and Son Start Over!

Request from Pastor Clifford Frederich,
St. John's Lutheran Church, Elgin, Illinois

I am writing on behalf of a single mother and her 10-year-old son that I am working with. Terry (name changed) has had many challenges, both economic and family issues, over the past 12 months. As a result, she and her son have become homeless and are living at a temporary shelter. Terry has found work and has also found an apartment. She needs assistance to pay her car insurance, \$289.00 due on June 15th, and a \$500.00 deposit for the apartment. She is working and will be able to cover her ongoing expenses, she just needs some help getting into an apartment and with her car insurance so that she can continue to get to work.

Any help would be such a blessing to Terry and her son as she works to put her life back together.

LCC Emergency Assistance Fund

LCC gets requests daily concerning people who need assistance, and it is increasing because of the current economic times we are living in.

LCC works through our churches to provide assistance by making the need known - and dollar per dollar we give the money to a church to help the family or individual. However, we receive some requests that are emergencies, and money is needed that day or the next day and we can't always get the need out in our weekly email newsletter first.

Would you consider making a gift to our LCC Emergency Assistance fund so that when these emergency needs occur we can help (through our churches) quicker? This is an important way for the Body of Christ to share the Mercy and

Compassion and Proclamation of Christ.

Thank you for continuing to Make A Difference!

Lutheran Church Charities is Now Supported by GoodSearch.com

You asked for it, we've got it!

What if Lutheran Church Charities earned a donation every time you searched the Internet? Or how about if a percentage of every purchase you made online went to support our ministry? Well, now it can!

[GoodSearch.com](http://www.GoodSearch.com) is a well-established Yahoo-powered search engine that donates half its advertising revenue, about a penny per search, to the charities its users designate. Use it just as you would any search engine, get quality search results from Yahoo, and watch the donations add up!

[GoodShop.com](http://www.GoodShop.com) is an online shopping mall which donates up to 30 percent of each purchase to your favorite ministry! Hundreds of great stores including Amazon, Target, Gap, Best Buy, eBay, Macy's and Barnes & Noble have teamed up with GoodShop and every time you place an order, you'll be supporting LCC.

And if you download the GoodSearch - Lutheran Church Charities toolbar, we will receive a donation every time you shop and search online - even if you forget to go to GoodShop or GoodSearch first! Add the Lutheran Church Charities toolbar at <http://www.goodsearch.com/toolbar/lutheran-church-charities>

THANK YOU for MAKING A DIFFERENCE

Because of your generous donations, LCC was able to sponsor a See Through the Scriptures seminar in Haiti for 150 Lutheran Pastors and Lay workers, equipping them with resources and materials to meet their exploding growth of people coming to church!

The Christian Church is growing daily! THANK YOU for not only supporting the Physical needs of the people of Haiti, but also and most importantly their Spiritual needs! (They want to

know when they can do another seminar in another location!)

If you want to help make that happen you can [donate now](#) and when we have enough resources to make it happen, we will schedule it!

Assistance Needed for Single Mother Facing Foreclosure

[Request from Pastor James Zimmerman, St. Paul Lutheran Church, Addison Illinois](#)

We have a member family that we are working with that is facing foreclosure. She is a single mother, her child is in high school. She recently lost her job and is actively looking for work. She is not eligible for unemployment so she doesn't have any money coming in. Prior to losing her job she had an excellent credit history. She has only been in her home for a few years so she doesn't have much equity. Because she is ineligible for unemployment her situation is becoming desperate. The congregation is helping all that we can. Any additional help that can be provided would be such a blessing to this family.

Housing Assistance Needed for Lady in Her 60's

[Request from Pastor Gerald Menk, Faith Lutheran Church, Lake Forest](#)

We have been working with a lady in the area who urgently needs housing assistance. Due to circumstances beyond her control, she lost her home. Her current housing arrangements are coming to an end and if she is unable to find other accommodation she will be forced out and will once again have to live in her car. It would be a blessing to find a room in someone's home for a short time, "Maria" is able and very willing to help out around the house, however any assistance that can be provided will be greatly appreciated.

Help LCC Purchase a Much Needed Truck

LCC continues to supply food, clothing, furniture, and other needed items to families in need through our churches. In the past we have done most of this with donated vans and trailers. As the needs increase, this is becoming too costly to operate. We also need a truck to pickup items for Disaster Response. We would like to purchase this truck to more efficiently do this.

One of our volunteers has a 2003 Ford Rockport box truck that they are willing to sell to us at a great price. The truck has less than thirty-thousand miles on it and we can have it for \$10,000. This would be such a help for us in our ongoing ministry of non-cash items! Could you help us purchase this truck. LCC does not believe in going into debt so we will only purchase this if we can raise the money. Can you help us in our ever expanding ministry of helping those in need with the Mercy and Compassion of Christ through churches! Thank you for all your support!

LCC Offers Lutheran Early Response Team Training

[Tim Hetzner to Lead Training Session](#)

In order to better manage volunteers and resources, FEMA is finalizing a guideline on credentialing volunteers for large-scale disasters. The federal guidelines indicate that volunteers responding to a disaster should be trained and certified. LCC is providing training for Lutheran Early Response Teams (LERT) through out our district. Should a disaster strike these teams would be put on call and may be asked to deploy in 72 hours or less to the disaster site.

This training will prepare team member for credentialing and will focus on the safety, work, and ministry of Lutherans as Early Responders.

The next training is scheduled for: Wednesday, June 30th at St. John Lutheran Church in Algonquin, Illinois. The sessions will run from 6 PM to 9 PM. A light meal will be provided at 5:30 PM. Registration is \$20 and helps cover

the cost of the training materials, meal, and the LERT T-shirt, which is required to be worn in a disaster response situation.

Malaria Initiative

'Malaria Initiative' is a non-profit corporation formed by Susan Busse M.D., Thomas Hesselink M.D., and John Peterson, to bring spiritual and medical treatment to those suffering from Malaria, working with Lutheran Church Charities.

A treatment of acidified sodium chlorite at a cost of less than \$00.01 USD. per dose has proven to be very promising in preliminary laboratory and field trials. We have been working in Uganda, Sierra Leone, Ethiopia, and Ghana to improve our working relationship in these countries to further the treatment of Malaria using this particular treatment. Our goal is to spread the Message of Christ and bring a useful and inexpensive treatment for Malaria; Malaria being the number one infectious killer world wide.

We are currently working at gathering more scientific data from sites that have Malaria patients, to track them along with their progress, and to document the results of the treatments so we can publish in medical journals. We are supporting a PhD. student doing thesis work at Western Michigan University on this promising treatment.

Malaria Initiative is looking to get help financing the above stated goals so they may travel to train personnel and fulfill all our commitments. The three principals have taken no payment for their services, all have volunteered their services and funded much of the costs out of pocket along with donations from generous donors.

Visit their web site: www.malaria01.org or E-mail: malaria01@yahoo.com
