LCC and UKANDU Summer Mission Returns to Chicago

Under the leadership of Pete Imlah, LCC's Director of Mission and Outreach, 196 Youth and Adults from 10 different churches and five different states arrived in the Chicago area for a Mission Trip of Hope and Encouragement. This is the 8th year that the UKANDU mission trip is being held, which offers youth and adults the opportunity to be a blessing to Chicago Lutheran churches and schools.

The theme of this year's mission trip is "Follow Me - What Does It Really Mean to Follow Jesus" based on Matthew 4:19. The home site for this year's mission trip is Walther Lutheran High School in Melrose Park, IL.

After morning devotions, 22 teams are dispersed around Chicagoland to host six different VBSs, paint classrooms, landscape, install bathroom partitions, work with clients at two different United Cerebral Palsy centers, and install a playground.

Each evening the participants have dinner, fellowship, and worship time back at Walther. Wednesday evening a special event is planned, and Thursday night Concordia Chicago will host a special dinner, tour of the campus, and Communion Worship Service.

Your prayers are much appreciated as the youth and adults work with their hands and share the love of Christ with their mouths this week!

Single Woman Needs Assistance with \$2000 in Medical Bills

[Request from Pastor Dan Wegrzyn, St. John's Lutheran Church, Lombard](#)

We have a member who is going through difficult financial times. Since being laid off from her job as an accountant over a year ago she hasn't been able to get back on her feet, she has been struggling to stay independent. She had been working, making about half of what she was accustomed to but she was laid off from that job on June 15th. She recently had a medical situation add to her debt (she is on a COBRA plan) as well as slowing down her mobility. She also suffers from depression. Her family lives out of state and can not help her financially or support her in her living situation.

Hunger Walk - Support Food Pantry at First Bethlehem

Request from Pastor James Kellerman, First Bethlehem Lutheran Church, Chicago

Once again I will be participating in the Greater Chicago Food Depository's (GCFD) Hunger Walk on June 26. This is a great opportunity for us to raise some funds for our food pantry at First Bethlehem Lutheran Church in Chicago. We are able to get food for our pantry at a greatly discounted price through GCFD-- usually we pay less than half of what it would cost us to buy the items at a place like Aldi's. Thus, we have found the GCFD an excellent organization to enhance our efforts to feed the hungry.

The nice thing about the Hunger Walk is that whatever funds we raise go completely into our account with the GCFD. Thus, your donation isn't going into a general operating fund for the GCFD, but will be credited directly to our account for whenever we buy groceries from them.

Thank you for your support and for getting the word out.

Lutheran Woman in Need of Assistance

Request from Pastor Harold Wahl, St. Paul Lutheran Church, Lansing, Illinois

We have a woman, in her early 60's (not old enough to qualify for medicare) who is facing several severe hardships. She has been a faithful, life-long Lutheran. While she is not handicapped to the point of qualifying for disability income, she does have some physical limitations along with some illness for which she is under a doctor's care. She is currently out of work and does not have money to cover her rent, utilities, food, and medicine. Because of family difficulties, she has no immediate family members to turn to.

This woman is in dire straits and is "falling through the cracks." Any help or assistance she could be given would certainly be appreciated.

LCC Offers Lutheran Early Response Team Training

Tim Hetzner to Lead Training Session

In order to better manage volunteers and resources, FEMA is finalizing a guideline on credentialing volunteers for large-scale disasters. The federal guidelines indicate that volunteers responding to a disaster should be trained and certified. LCC is providing training for Lutheran Early Response Teams (LERT) through out our district. Should a disaster strike these teams would be put on call and may be asked to deploy in 72 hours or less to the disaster site.

This training will prepare team member for credentialing and will focus on the safety, work, and ministry of Lutherans as Early Responders.

Lutheran Couple in Need of Assistance

Request from Pastor Thomas Spahn, Interim Pastor Bethel Lutheran Church, Gurnee, IL

We are working with a member family that is in dire need. They are a 58-year-old couple, married for 39 years, and are facing a financial crisis. He lost his manufacturing high management position 35 months ago and they have consumed all of their 401 retirement investments and stocks. In the past year he had major reconstructive surgery for skin cancer.

Now they are on the verge of losing their home, unable to use their maxed out credit card, have borrowed against their life insurance policies, are behind on property taxes and have medical bills that have gone to a collection agency. If his minimal health insurance coverage is lost, he

may be uninsurable in the future.

They both eagerly serve on committees and boards of our congregation and volunteer

for many church-related activities. The congregation is helping the family in every way that we can but their needs are greater than we can do alone. If anyone is moved to donate to help this family get back on their feet it would be a tremendous blessing for them.

International Student at Ft. Wayne Seminary Needs Tuition Assistance

[Request from Pastor Jacob Gaugert, Dr. Martin Luther Church, Chicago](#)

There is a gifted international student from South Africa who is in need of financial aide. His name is Mathias Hohls and he needs to collect or receive pledges for at least \$30,000 by August 1st of this year. So far he has received \$13,000. I have sent a letter from him along with a letter of recommendation from Prof. John T. Pless from the Ft. Wayne Seminary. Please consider helping this gifted young man finish his studies at Ft. Wayne.

Excerpt of letter from Mathias Hohls:

My name is Mathias G. Hohls. I am originally from South Africa and have been studying at Concordia Theological Seminary in Ft. Wayne on an international student exchange program since September 2009. I grew up in a Lutheran pastor's home and attended private schools prior to my university studies... Lord willing, I hope to serve the Lord's church in the Pastoral Ministry in the future. I believe that completing my pastoral studies here in America would give me the best theological and practical background to be able to serve His people faithfully.

[Click here to read the entire letter](#)

Excerpt of letter from Prof. John Pless:

I am very pleased to write this letter to encourage the generous financial support of my student, Mathias Hohls. Assisting him to remain at Concordia Theological Seminary to complete his Master of Divinity degree under our auspices would be a prudent and productive investment not only in his personal future but the future of our Lutheran Church.

Homeless Family with Three Small Children in Desperate Need of Assistance!

[Requested by Rev. Michael Graham, Emmanuel Lutheran Church, Aurora, Illinois](#)

This family has had financial difficulty for the past two years that I have known them. They moved from Joliet and are able to work on and off. A year ago the mother had fairly good and stable employment, but was let go, and the father works construction jobs when anything is available. Since last November they have been homeless and living in transitional housing at Hesus House, the local homeless shelter. The mother was pregnant at the time they moved into the homeless shelter.

The baby was born April 6 with severe complications. She was rushed to Lutheran General for surgery and put into Neonatal Intensive Care. She has difficulty swallowing and her larynx collapses. She has to be tube fed.

Before the baby was released from the hospital, there was an outbreak of Tuberculosis at the homeless shelter and the county health department will not allow the baby back there. It could be several months before this situation is cleared up.

Currently the father and two boys (ages 3 and 4) are staying at the shelter, but the mother is with her mother but is not allowed to be there because of public housing rules and also the grandmother has medical and emotional problems that make it undesirable and not adequate to care for the baby.

Immediate need:

A place where the mother and baby can live temporarily, probably a few months at least, so she can care for the baby with her medical needs. Best would be a place where the husband and two boys could also stay, that way the mother could care for the boys as well when the father is able to work.

Long term need:

Financial assistance to pay medical bills and expenses to allow them to move into an apartment.

This young family is in a desperate situation. Any help that can be given to them would be such a blessing as they work to put their lives back together and move from being homeless.

If you know of any available temporary housing please call LCC at 866-455-6466 or email LCC@LutheranChurchCharities.org

Historic St. Matthew Makes An Urgent Appeal Request by Rev. Julio A. Loza, Historic St. Matthew Lutheran Church

Historic St. Matthew Lutheran Church, after 138 years of Christian service in Chicago, faces the overwhelming task of having to comply with expensive building repairs imposed by the City's Building Department; especially at a time when our nation faces a stagnant economy. St. Matthew, with its commitment to feed the homeless and unemployed, finds it very hard, if not impossible, to have the funding required for this awesome task. At St. Matthew, we have an uphill struggle ahead of us. Driven by God's love, we make an urgent and special appeal to pray for our ministry and help us to raise at least \$30,000 to continue to feed the hungry and

make repairs in our building.

St. Matthew is the home of the El Comedor Popular soup kitchen, which feeds the hungry in Chicago. They have been experiencing some difficult times with their ministry. They are in a permanent financial struggle, but they endure to feed the homeless and unemployed whose numbers continue to grow because of the economy.

Helping Our Neighbors in Indiana Volunteer Opportunity

It's been 22 months since the tri-county area of NW Indiana flooded and 22,000 families were impacted as the result of flooding from the remnants of Hurricane Ike. A tremendous amount of recovery work has been completed but there are still 800 families waiting for assistance. Project LARRI (Lakeshore Area Regional Recovery of Indiana) is seeking volunteers to help with the rebuilding efforts.

Join volunteers from Lutheran Church Charities and the NID-LWML who will be providing assistance to our neighbors in Indiana. This is an opportunity to serve that is close in terms of travel time, offers a great deal of flexibility, and is affordable in our struggling economy. Housing is provided at no charge - team members choose how many days they can volunteer.

Plan now to join the team planning to go the week of Sept 12-Sept 18. Projects could include framing, hanging wallboard, mudding the wallboard, painting, sanding and staining woodwork. On the practical side a few people are needed to do the meal prep, grocery shopping and cleaning.

If you would like to help, contact Jan Gerzevske, jgerz@netzero.com or 630.294.5014 for further details. If you would like to help but are unable to arrange your schedule to volunteer, contributions for the purchase of materials are welcomed.

Dollar per Dollar Your Donations Buy Shoes for Haitian Children

The response to Tim's appeal for shoes for the children in the tent cities in Haiti has been tremendous. Thank you to everyone who has already donated. Your generous donations have put shoes on the feet of so many children, but there are many more who are still barefoot and need our help.

Shoes are still available for purchase in Haiti and are desperately needed to protect the children from disease. Please [contribute now](#) if you are moved to help! Thank you for your compassion for these children.

LCC Emergency Assistance Fund

LCC gets requests daily concerning people who need assistance, and it is increasing because of the current economic times we are living in.

LCC works through our churches to provide assistance by making the need known - and dollar per dollar we give the money to a church to help the family or individual. However, we receive some requests that are emergencies, and money is needed that day or the next day and we can't always get the need out in our weekly email newsletter first.

Would you consider making a gift to our LCC Emergency Assistance fund so that when these emergency needs occur we can help (through our churches) quicker? This is an important way for the Body of Christ to share the Mercy and Compassion and Proclamation of Christ.

Thank you for continuing to Make A Difference!

Lutheran Church Charities is Now Supported by GoodSearch.com

You asked for it, we've got it!

What if Lutheran Church Charities earned a donation every time you searched the Internet? Or how about if a percentage of every purchase you made online went to support our ministry? Well, now it can!

[GoodSearch.com](http://www.goodsearch.com) is a well-established Yahoo-powered search engine that donates half its advertising revenue, about a penny per search, to the charities its users designate. Use it just as you would any search engine, get quality search results from Yahoo, and watch the donations add up!

[GoodShop.com](http://www.goodshop.com) is an online shopping mall which donates up to 30 percent of each purchase to your favorite ministry! Hundreds of great stores including Amazon, Target, Gap, Best Buy, eBay, Macy's and Barnes & Noble have teamed up with GoodShop and every time you place an order, you'll be supporting LCC.

And if you download the GoodSearch - Lutheran Church Charities toolbar, we will receive a donation every time you shop and search online - even if you forget to go to GoodShop or GoodSearch first! Add the Lutheran Church Charities toolbar at <http://www.goodsearch.com/toolbar/lutheran-church-charities>

Help LCC Purchase a Much Needed Truck

LCC continues to supply food, clothing, furniture, and other needed items to families in need through our churches. In the past we have done most of this with donated vans and trailers. As the needs increase, this is becoming too costly to operate. We also need a truck to pickup items for Disaster Response. We would like to purchase this truck to more efficiently do this.

One of our volunteers has a 2003 Ford Rockport box truck that they are willing to sell to us at a great price. The truck has less than thirty-thousand miles on it and we can have it for \$10,000. This would be such a help for us in our ongoing ministry of non-cash items! Could you help us purchase this truck. LCC does not believe in going into debt so we will only purchase this if we can raise the money. Can you help us in our ever expanding ministry of helping those in need with the Mercy and Compassion of Christ through churches! Thank you for all your support!
