

Support Hurricane Relief Efforts with Kits

The following kits are still needed by those affected by the hurricane. This is a great way to help! Please label each bag (babies, children, women or men) when making it! When boxing bags together, please sort them by type of kit (all baby kits together, etc.), and also label boxes with type of kit and number of kits in box. Be sure to notify Elvera Ruff, VP for Human Care (630) 904-0310 or ERuff6311@aol.com of the number of kits your group has sent off. Thank you!
